

### **The Trust Company Strategic Partners Symposium**

On 23 and 24 October 2013, AIEF's Partnerships and Communications Director and Partnerships Executive attended the Trust Company Strategic Partners Symposium, hosted at the Melbourne Business School.

The Symposium, the fourth held to date, and an introductory dinner the night before were a chance to reconvene and reflect on how the Trust Company's Strategic Partners are working towards the goal of Engaged Philanthropy.

The Dinner and Symposium, both generously hosted by the Trust Company and the Melbourne Business School, were memorable events and the atmosphere was positive and collaborative. AIEF is proud to partner with the Trust Company, and to share its enthusiasm about the idea and possibilities of Engaged Philanthropy.
