

SAP donates prize money to AIEF

On 13 February, 2014 SAP ANZ presented AIEF with a cheque for 20,000 euros – the prize money SAP ANZ received to donate to the charity of their choice as winners of SAP’s ‘Dancing with the Stars’ competition in January. AIEF was delighted to be chosen by the winning team to receive this donation. The money will be invested in the *AIEF Scholarship Program* and will aid our mission to help educate 7,000 Indigenous children at some of Australia’s leading schools and universities. 13 February 2014 also marked the sixth anniversary of then Prime Minister Kevin Rudd’s apology to Australia’s Indigenous peoples.
