

AIEF Partner SAP Named Third Best Workplace in Australia

AIEF Partner SAP has been named by Great Place to Work as the third best place to work in Australia. This is the third year in a row that SAP has received an award in this category – progressing from ninth in 2018 to seventh last year, before reaching the top three workplaces in 2020.

SAP has been recognised for their commitment to a diverse and inclusive workforce, and providing employees with opportunities to positively impact communities through volunteering, mentoring, and operation support.

The AIEF Team delivers school and employment support to students and alumni across Australia, with team members based in Brisbane hosted in offices provided by SAP.
