

**THERE IS NO GAP  
BETWEEN INDIGENOUS AND  
NON-INDIGENOUS AUSTRALIANS**

# WHO ARE WELL EDUCATED

92% of Indigenous students on AIEF Scholarships stay at school and complete Year 12.

Year 12 completion is the essential first step to further study and career success for all Australians – and figures from the Australian Bureau of Statistics show that there is almost no employment gap between Indigenous and non-Indigenous Australians with a high level of education.

AIEF has already provided opportunities to over 600 students. With the support of HSBC Bank, we're now launching a practical guide to best practice in Indigenous education that will empower teachers around the country to deliver better outcomes for thousands more.
