

AIEF awarded CommBank Community Grant

The Australian Indigenous Education Foundation has been successful in receiving a grant from the CommBank Staff Foundation for 2022.

This grant would not have been possible without the nomination from AIEF Mentor and CommBank employee David Garratty who is passionate about Indigenous education and the work of AIEF.

The CommBank Staff Foundation was formed in 1917 to send care packages to Australians fighting in WW1. Ever since, the program has enabled CommBank employees to join together to give generously to the community, particularly in times of hardship.

Covid put unprecedented pressure on community organisations and we are very grateful for the ongoing support of workplace giving initiatives from our partners including Commonwealth Bank.
